

YALE-NEW HAVEN HOSPITAL

CONTROLLED SUBSTANCE (CT AND DEA) CERTIFICATE DECLARATION

REQUIRED if you have not submitted current copies of either a federal DEA OR a Connecticut controlled substance certificate.

NOTE: BOTH certificates are required to prescribe controlled substances in Connecticut.

1. I do not presently hold the following certificate(s):

State of Connecticut Controlled Substance Registration Certificate

Federal DEA – Controlled Substance Registration

2. I:

intend to obtain both certificates for my practice and understand that I am not permitted to prescribe controlled substances for patients at Yale-New Haven Hospital until I provide copies of both certificates to the Department of Physician Services.

OR

do not intend to obtain either certificate and attest to the fact that due to the nature of my practice I do not require the ability to prescribe controlled substances and will not prescribe them at Yale-New Haven Hospital.

OR

will be a member of the Yale University School of Medicine Full Time Faculty in one of the following Departments/Sections, will be utilizing the YNHH DEA and agree to limit prescription of controlled substances for the purpose of the care of patients hospitalized at YNHH. (Anesthesiology, Neonatology, Pediatric Critical Care, Laboratory Medicine, Pathology, Diagnostic Radiology or Therapeutic Radiology). I agree that I will not write or order discharge prescriptions for controlled substances.

OR

am a member of YNH Medical Services, PC (“Hospitalist” Team) and agree that I will not write or order discharge prescriptions for controlled substances.

OR

am a Physician’s Assistant or Nurse Practitioner employed by YNHH and work exclusively on YNHH inpatient units. I agree that I will not write or order discharge prescriptions for controlled substances.
