# Yale-New Haven expertise on the shoreline

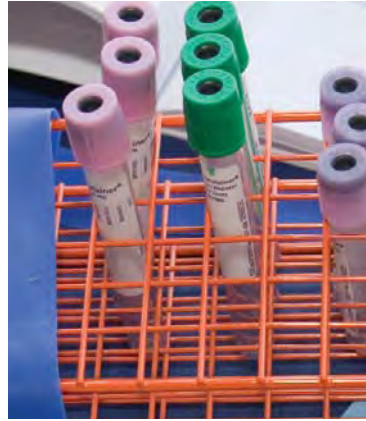

The Yale-New Haven Shoreline Medical Center (YNHSMC), an extension of Yale-New Haven Hospital, brings the advanced health care of a national academic medical center to your backyard, with all the comforts and amenities of a community healthcare facility.

Shoreline residents can access high-quality, convenient outpatient care in the shoreline area's largest, most comprehensive medical center.

YNHSMC offers ambulatory care, including one-day surgery, diagnostic radiology and cancer services, as well as emergency care 24 hours per day, 7 days a week.

**Diagnostic Radiology**  
(203) 453-7200 main number  
(203) 453-7272 for appointments

This location offers a full range of diagnostic radiology services, including CT scanning, ultrasound, magnetic resonance imaging (MRI), fluoroscopy, diagnostic X-ray, bone density and digital mammography. Same-day appointments and evening hours are available.

**Emergency Services** 24 hours per day  
(203) 453-7123 7 days a week

The YNHSMC has a full-service emergency department which cares for adults and children with emergency illnesses and injuries. Our department, open 24 hrs a day, seven days a week, is staffed with board-certified emergency medicine physicians and mid-level providers, as well as experienced RNs and technicians. The department is supported by the on-site services of diagnostic radiology and laboratory medicine.

**Health Education Programs**  
1(888) 700-6543

Each spring and fall, Yale-New Haven Hospital offers a series of health talks at this location. These programs are free and open to the public. Please visit our website at [www.ynhh.org/shoreline](http://www.ynhh.org/shoreline) for the current listings of programs offered. Registration is available online or by phone.

**Hospital Pre-Admission Office**  
(203) 453-7111

The Yale-New Haven Hospital pre-admission office offers pre-admission and maternity registration for planned admissions to YNH, as well as financial counseling, help with billing questions and general information about YNH services.

**Laboratory Medicine/Blood Tests**  
(203) 453-7160, Guilford  
(203) 315-2101, Branford  
(203) 318-3580, Madison

The laboratory medicine/blood draw station at the YNHSMC provides convenient blood-drawing services for patients in the area. Many tests are performed on-site, providing quicker access to results for the ordering physician. All major insurances, laboratory requisitions or referrals from your physicians are accepted without an appointment. For patient convenience, we offer two additional shoreline locations in Branford and Madison.

**Nuclear Medicine**  
(203) 453-7191 main number  
(203) 453-7190 for appointments

Nuclear medicine testing is now more convenient for shoreline residents. The YNHSMC nuclear medicine service offers scans of various organs such as the bone, liver, kidneys and the gastrointestinal system, as well as advanced imaging techniques for diagnosis of cancer, infections, osteomyelitis, neuro-endocrine tumors, hepatic hemangiomas and other conditions.

**Nutrition Center**  
(203) 453-7199

The YNHSMC nutrition center offers individualized nutrition counseling with a registered dietitian to help people design an eating plan specific to their needs. Follow-up appointments provide the support and reinforcement needed to bring about permanent and healthy lifestyle changes.

**Radiation Oncology**  
(203) 453-7170

The YNHSMC radiation oncology center, in affiliation with Smilow Cancer Hospital and the National Cancer Institute-designated Yale Cancer Center, provides convenient care for shoreline residents who are in need of daily radiation therapy. In addition to the daily treatments, full clinic services are also available, including patient consultations and follow-up visits for patients who have completed their prescribed course of radiation therapy, as well as support group meetings which are held several times per month.

**Surgery Centers**  
(203) 453-7100

The Surgery Centers at YNHSMC include services for one-day surgery, pain management, endoscopy and gastrointestinal services, each with fully-equipped operating and procedure rooms providing patients the latest technology and equipment. After a procedure, patients are moved to comfortable recovery areas. In addition, on-site pathology services are supported by the Yale Pathology Labs, which provide expedited processing and interpretation so physicians will be able to make a diagnosis or evaluation quickly.

**Women's Education Life Learning - WELL/A Mother's Place**  
(203) 688-9355

The YNHSMC offers a five-week childbirth preparation course, a total pregnancy fitness class, AfterDance exercise for mom and baby, and a breastfeeding couples class sponsored by Yale-New Haven Hospital's highly regarded WELL/A Mother's Place. For information and fees, call or visit the web page at [www.ynhh.org/well](http://www.ynhh.org/well).

The Yale-New Haven Shoreline Medical Center is affiliated with Yale-New Haven Hospital, a not-for-profit hospital which serves as the primary teaching hospital of Yale School of Medicine. Yale-New Haven Hospital also includes the Yale-New Haven Children's Hospital, Yale-New Haven Psychiatric Hospital and Smilow Cancer Hospital, and has a medical staff of about 2,400 university and community physicians in more than 100 specialties.
