Introduction:

YNHMC recognizes that the ACGME has set standards for the position of Program Director, and requires approval of the Office of GME and the Designated Institutional Official (DIO). The following policy will define the parameters that are to be used in obtaining approval by the Office of GME for these appointments.

Policy:

1. All Program Director Appointments must be approved by the DIO and the Graduate Medical Education Committee (GMEC).

Procedure:

1. Chairs or section chiefs will submit the name and the CV of the proposed new Program Director to the DIO.
2. DIO will be responsible for reviewing qualifications of candidate and requirements of the specific RRC.
3. If appropriate, DIO will meet with the new Program Director and/or Department Chair/Section Chief.
4. Appointment will be presented to GMEC by Department Chair/Section Chief as appropriate.
5. If approved, notification will be submitted to appropriate RRC and changes made on ACGME web-based accreditation information.
