Page: 1

Revision Date: June 30,2003;
July 1. 2013

Introduction:

Recognizing the need to provide support services for the Resident in training, this policy is adopted consistent with the hospital mission to educate physicians for a leadership role in clinical and academic medicine as well as to protect and improve the health and maintain the safety of our patients, visitors and staff, recognizing the importance of regular and structured feedback in teaching.

Policy:

It shall be the policy of Yale-New Haven Medical Center that Hospital-employed residents in accredited and GMEC approved training programs will have available to them the Employee and Family Resource Program (EFRP). University paid residents/fellows with medical insurance provided by Yale Health are eligible for wellness services through Yale Health.
