PROGRAM EFFECTIVENESS DATA

Program effectiveness data includes the program completion rate, credentialing examination pass rate and job placement rate. Explanations of these measures and program data that correspond with the annual report most recently submitted to the CoAEMSP are noted below. Questions about program effectiveness data should be directed to the Program Coordinator at (203)562-3320. The program's 2022 annual report reflected the following:

RETENTION

This is an annual measurement of the number of students that began the program divided by the number of students that actually completed the program. The annual report tracks this for the past two years. The retention rates were:

Year	2022	2021
Retention	86.2%	73%

NATIONAL REGISTRY EXAMINATION PASS RATE

This is the number of students that pass the National Registry of Emergency Medical Technician Paramedic Certification examination. This data is reported for the cognitive exam (written exam) and is also reported by year. The pass rates were:

Year	2022	2021
Cognitive exam	96%	96.3%

JOB PLACEMENT RATE

This is the number of students that gain employment in the profession as a paramedic within six months of graduation for the past two years. The data reported for positive placement were:

Year	2022	2021
Positive Placement	100%	100%
