

Program Effectiveness Data

Program effectiveness data includes the program completion rate, NREMT examination pass rate, and job placement rate. Explanations of these measures and program data that correspond with the two most recent annual reports submitted to the CoAEMSP are noted below. Questions about program effectiveness data should be directed to the Program Director at 203-562-3320.

The program's 2024 and 2023 reports reflect the following:

Retention

This is an annual measurement of the number of students that began the program divided by the number of students that completed the program. The retention rates were:

2024.....63.3%

2023.....77.8%

NREMT Pass Rate

This is the total number of students that pass the NREMT paramedic certification examination. The pass rates were:

2024.....100%

2023.....100%

Job Placement Rate

This is the total number of students that gain employment as a paramedic after successful completion of the program. The job placement rates were:

2024.....100%

2023.....100%
