

1. Log into physician-login (<https://www.abim.org/ONLINE/DEFAULT.ASPX>).

The screenshot shows the ABIM website's Physician Login page. At the top, there is a search bar and a 'Physician Login' button. Below this is a navigation menu with links for 'about ABIM', 'news', 'become certified by ABIM', 'maintain & renew your certification', 'take the exam your complete guide', and 'improve your practice with PIMs'. The main content area is titled 'Physician Login' and includes a 'Print' icon. On the left, there are links for 'Request Forgotten Password', 'Find Your Candidate Number', and 'Physician Login Help'. The main form asks if the user is a 'First time user?' (with a 'Start here' link) or a 'Returning user?' (with 'Login Below:'). It includes a '6 digit candidate number' field with the value '999994' and a 'Find your candidate number' link. Below that is a 'Password' field with two dots and a 'Request Forgotten Password' link. A 'Login' button is centered below the form. At the bottom, there is a paragraph explaining the secure section and its purpose for candidates and diplomates.

This secure section of the ABIM website allows candidates and diplomates to interact with ABIM. Here you can update your mailing address, e-mail address, and other contact information; view examination and certification history; register for examinations; and enroll and participate in the Maintenance of Certification program.

Access to Physician Login and My Home Page sections of this website is granted to diplomates and candidates of ABIM in order for them to communicate and request information from ABIM. All other use is prohibited.

2. Select “Report Continuous Quality Improvement activity for practice performance credit”

w.abim.org/ONLINE/main.aspx?target=&CNO=999994

The screenshot shows the ABIM website interface. At the top left is the ABIM logo and the text "American Board of Internal Medicine". To the right are links for "Site Map", "Help", and "Contact ABIM", along with a search bar and a "Physician Login" button. Below this is a navigation bar with buttons for "about ABIM", "news", "become certified by ABIM", "maintain & renew your certification", "take the exam your complete guide", and "improve your practice with PIMs". A breadcrumb trail shows "Home > My Home Page".

The main content area is titled "My Home Page (JOE TEST)" and includes a "Log Out" link and a "Print" icon. A welcome message states: "Welcome to your home page on the ABIM website. This secure section of the website is accessible only by logging in using your candidate number and password. Through this page you can register for exams, find quick links to important information and keep your contact information up-to-date."

There are four main sections:

- My Information:** Displays the candidate number "999994" and links to "Update contact information", "Update NPI", "Update Practice Characteristics Profile", "Change password", and "Alter Demo".
- My Resources:** Lists links for "Details & Policies for Maintenance of Certification", "Self-Evaluation Overview", "View CME Credit Report", and "Contact ABIM".
- My Examinations:** Includes links for "View registration status, exam results and certification history" and "Register for Examination".
- My Maintenance of Certification Program:** States the user is enrolled and provides links for "View status in the Maintenance of Certification program", "Optional Reporting to Third Parties", "Register for Adolescent Medicine Recertification Examination", "Order Medical Knowledge module", "Order Practice Improvement module (PIM)", and "Report Continuous Quality Improvement activity for practice performance credit".

The link "Report Continuous Quality Improvement activity for practice performance credit" is circled in red.

3. Select Program

organization managing the CQI program. Otherwise, please indicate the program you participated in below and click "Continue" to fill out the attestation form required to receive ABIM credit.
